Popular as party favors and presents, origami figures folded from paper money offer clever possibilities for folders at all levels of skill. This easy-to-follow guide features thirty-two simple models, both traditional and original. Figures include a heart, a house, and an array of animals, from a bird and a butterfly to a whale and a rhinoceros. There's even a model of George Washington himself! Numerous diagrams illustrate each model, rendered in dark and light green to indicate the two sides of a bill. The finished models are shown in full color.
