

Moon Knight Vol. 1: From The Dead

Collects Moon Knight (2013) #1-6. Marc Spector is Moon Knight! Or is he? Its hard to tell these days, especially when New Yorks wildest vigilante protects the street with two-fisted justice and three -- thats right, count em -- three different personalities! But even with the mystical force of Egyptian moon-god Khonshu fueling his crusade, how does the nights greatest detective save a city thats as twisted as he is? The road to victory is going to hurt. A lot. Be there as Moon Knight punches ghosts(!), investigates a sleep experiment thats driving its patients insane, travels to the mushroom graveyard planet(!), faces the Black Spectre and takes on twenty mob enforcers to save an abductee...alone. Marvels most mind-bending adventure begins as Moon Knight sleuths his way to the rotten core of New Yorks most bizarre mysteries!
