

Mountain Biking the Deep South Louisiana (America By Mountain Bike Series)

Travel south of the Mason-Dixon line and discover the mystery of the Deep South. In spite of humidity and mosquitoes the size of golf balls, exploring the Deep Souths wilderness is richly rewarding. With the regions amazing geographical and meteorological diversity, it pays to have the inside scoop on mountain biking. From the Louisiana levee to the North Georgia mountains, Mountain Bike! The Deep South will introduce you to the thrill of exploring this magnificent region while helping you discover its most unforgettable rides. This guide provides detailed information on over 75 of the best rides throughout Louisiana, Mississippi, Alabama, and Georgia, including tours through the New Orleans area, the Mississippi Delta, the Natchez Trace, Alabamas Gulf Shore, and the lush gardens of central Georgia. From rugged single-track ascents to leisurely rides along tranquil lakes, if its good riding, its profiled here. Each route profile features a thorough ride description, a detailed trail map, helpful sources of information, proximity of important services, valuable commentary on elevation changes and possible hazards and a rescue index. This guide also features interesting and entertaining photographs, vivid descriptions of the native flora and fauna, a glossary of mountain biking terms, and tips on mountain biking etiquette and the truth about suicide among armadillos.
