

Discovering Hamburg: Hamburg: Hanseatic City on the River Elbe (Calvendo Places)

Hamburg, is the historic pearl of northern Germany, the city famous for its docks and of course one-time residence of the Beatles. Its huge container terminals, the old town with its charming waterways, and its historic entertainment district: A trip to Hamburg is worthwhile at any time of the year, as this series of images admirably shows. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
