

## Montana Man

Lily Danziger wanted more than the shallow life she'd been living in so-called New England society. She wanted more security than money could buy. So she packed up her newborn daughter and headed for a new start - until a blizzard stopped them in their tracks and she had to ask a stranger for help, the rugged traveler their one chance for survival. He led them to a temporary refuge, but could he also hold the key to a future Lily has only dreamed of?
