

Hunting the Middle Eastern MILF (BBW Older Woman Younger Man Breeding Taboo Erotica)

This 5,000 word short story contains explicit sexual content involving a MILF from the Middle East desperate for some good loving and a white young man traveling to give it to her and is thus intended for mature audiences only! One of them lives in a country where she cannot reveal more than her eyes. One of them wants the other so badly, hell fly to a country hes not safe in to cross her off his bucket list. For Mark and Dalia, its a match made in heaven, and neither of them ever get more than a glimpse of the others eyes before meeting up. But once they finally do meet up in Marks room, the action gets hot, and Mark gets his MILF and Dalia gets something more--something that will show up many months later!
