

A Moms Life: Warm Fuzzies, Food & Fun

What are Warm Fuzzies? Warm fuzzies are what I feel whenever I think back on a moment that I learned more from my young daughter than she did from me. Like the time she made a lop-sided gingerbread house or beat me at Clue or wanted to quit ballet to take karate. In addition to stories about how my Type-A personality was forced to roll with the punches, Ive tied each essay together with simple recipes or fun family activities. Whether youre a mom, a grandmother, an aunt or a teacher, this book will make you smile as you reflect on the unexpected joys little ones can bring.
