

Florence Lake Wakeboarding: Learn to Wakeboard

How To Wakeboard is a complete tutorial for beginner and novice riders to learn the basics. The book is an easy read with real information from me, a rider with 15+ years of experience. Chapters include tips and techniques on: How to get started How to get up How to stay up Beginner Trick List Intermediate Trick List How to Create the perfect wake Equipment & boat driving etiquette As text alone can be difficult, I have added in plenty of pictures of myself showing the different techniques and styles. This book will help anyone get started or improve his or her wakeboard career. Enjoy!
