

New X-Men (2004-2008) #34

The Facility turned X-23's childhood into a blood-stained nightmare and now they're gunning for the New X-Men. How far will the team go to save one of their teammates, and once they've crossed over into X-23's violent world, is there any coming back? The kids will never look at X-23 the same again as the fallout from X-23: TARGET X continues here.
