

Blackstones Police Q&A: Road Policing 2015

Blackstones Police Q&As 2015 are the essential revision tool for all police officers sitting the OSPRERG Part 1 promotion examinations. Written in partnership with the best-selling Blackstones Police Manuals, the only study guides endorsed by the College of Policing, the Q&As experienced author team follow subjects in the same sequence as the Manuals, providing the most authoritative means of self-testing outside of the promotion examinations. Blackstones Police Q&A: Road Policing 2015 contains hundreds of multiple-choice questions designed to reinforce knowledge and understanding of the Road Policing Manual. Matching the only format of questions you will see in an OSPRERG Part 1 examination, each question has a detailed and comprehensive answer that highlights not only the correct response, but also the reasoning behind the incorrect responses, allowing candidates to highlight any gaps or weaknesses in their knowledge. Full cross-references to the relevant Manual paragraphs and Keynotes encourage more effective studying, while a question checklist helps you track your progress. The 2015 editions of this popular series contain important updates, reflecting changes to the 2015 versions of the Blackstones Police Manuals. This new edition on Road Policing includes new questions on the Road Safety Act 2006, the Motor Vehicles (Tests) (Amendment) (No. 2) Regulations 2012, the Road Safety Act 2006 (Commencement No. 10) Order 2013, and the Driving Licences (Exchangeable Licences) (Amendment) Order 2013. Other titles in the series are: Crime Q&A 2015, Evidence and Procedure Q&A 2015, and General Police Duties Q&A 2015.
