

Ninth Grade Slays #2: The Chronicles of Vladimir Tod

The second graphic novel in the series of adaptations of Heather Brewer's New York Times best-selling series. Freshman year stinks for Vlad Tod. Bullies still harass him. The photographer from the school newspaper is tailing him. And failing his studies could be deadly. A trip to Siberia gives study abroad a whole new meaning as Vlad connects with other vampires and advances his mind-control abilities, but will he return home with the skills to recognize a vampire slayer when he sees one? In this thrilling sequel to *Eighth Grade Bites*, Vlad must confront the secrets of the past and battle forces that once again threaten his life.
