

On a Shoestring to Coorg: A Travel Memoir of India

Travel writing on exotic India. From Bombay to the hippy beaches of Goa and on to the tropical trip of India, travelling by boat and bus, staying in fishermen's huts and no-star hotels, Dervla Murphy and her five-year-old daughter explored the south. En route they fell in love with the tiny mountain paradise of Coorg, whose landscapes and people form the focus of a wonderfully evocative travel diary. This is an account of their journey. The author also wrote *In Cameroon with Egbert*, *The Waiting Land* and *Muddling through in Madagascar*.
