

Circle Pit the Bimah: Commentaries on the Weekly Torah Portion

This collection of dvrei Torah (teachings on the weekly Torah portion) by Jeremiah Satterfield is a mosh pit frenzy of stream-of-consciousness journalism about God, Jewish identity, Jewish history, life, love and everything in between. If you love Henry Rollins, Hunter S. Thompson and Judaism, you'll get a kick out of this book. Baruch Hashem and make an X if you're down!
