

Nothing But the Girl: The Blatant Lesbian Image: A Portfolio and Exploration of Lesbian Erotic Photography

This beautifully produced book contains the landmark work of the most influential lesbian photographers in the world, including Morgan Gwenwald, Della Grace, Diana Blok, Tee Corrine, Jill Posener, and Honey Lee Cottrell. Beyond the impact of the individual photographers, Bright writes about the themes that have fueled lesbian photography, including the feminist approach to the body and the lesbian relationship to popular culture.
