

## Spawn #154

In Memphis, Tennessee the dead are rising from their graves. Spawn morphs into a gun- toting killing machine -- this has more exploding heads than any Arcade shoot-em-up you ever played! Meanwhile, the goddess Kali is doing some head-hunting of her own, while the Forgotten Ones make a bid to take control of Heaven. And if that isnt enough, meet Zera -- the roughest, toughest, sexiest angel yet.
