

The Official Precious Moments Collectors Guide to Figurines, Fourth Edition

Precious Moments figurines, those endearing teardrop-eye children inspired by Sam Butcher's drawings, still hold the hearts of collectors everywhere. This new fourth edition is an indispensable resource for anyone who finds themselves captivated by these delightful little creatures. It features approximately 2,900 bisque figurines, including 250 new pieces. Many new Disney items have been added along with one of a kind pieces from several presidential libraries including those of George W. Bush and Bill Clinton. Each figurine is pictured in color and includes item number, date of issue, availability, and current market value. Space is still provided to record purchase price and date for each piece. This book remains the most comprehensive guide on the market to these darling collectibles. 2010 values.
