

The Photographers Guide to Chicago: 100 of the Best Locations and How to Photograph Them

Chicago is one of my favorite cities for photography. I wish I had a book like this from Chris when I got started.-Trey Ratcliff This dude is simply amazing. The book is not only packed with awesome images, but Chris shares his secrets for each site. His passion for photography, Chicago, and teaching shine through.-Rick Sammon Chicago has something extraordinary for every photographer. The Photographers Guide to Chicago takes you to the best locations at the best times of day. Each location has hours, admissions fees, how to get there, the best time of day to shoot, photography restrictions, and ratings to help you prioritize your itinerary. I'll give you the insider secrets to getting the best shots at each location including where to shoot from, hidden areas, and easy to miss details. The Photographers Guide to Chicago gives you all the tools you need to plan your Chicago adventure. Save money with parking and public transportation tips. Use the maps to visualize your routes and see what other locations are close. Follow the suggested itineraries to string together the perfect photo walk. Use the top 5 lists to find the best spots at sunset, sunrise, night, or for a rainy day.
