

Iyesha Carters life was almost perfect. Her body was curvaceous as a goddess. She had the smarts of the streets and the knowledge of a scholar. There was one detrimental piece missing from her life that stopped short of it being perfect. Iyesha becomes a victim of abuse at the hands of her boyfriend Andre. Her life is turned upside down because rules were broken. Her male best friend discovers her abuse and makes an offer that she can not refuse. Will she embark on the offer and come out on top or will she succumb to the powerful hands of Andre and lose all hope?
