

Collect Raindrops (Reissue): The Seasons Gathered

Gather, Navigate, Welcome, Fortify, Surrender, Save, Listen, Make Mistakes. These are some of the messages renowned artist Nikki McClure affirms in this gorgeous monograph of her paper cuts. Organized by season, these delicate pieces exude an optimism that revolves around community, sustenance, parenting, and appreciating both urban and rural landscapes. McClure's work reminds us of the important things: the change of seasons, slowing down the world for a moment so we can actually taste it, looking up at the stars to dream. This reissue of the 2007 art book includes 64 pages of new, breathtaking art and makes the perfect gift.
