

In the Spirit of Cannes: From A To Z (Icons)

A is for Aga Khan... B is for Monica Bellucci... C is for Carlton, Croisette... For decades, the sunny village of Cannes has hosted a wealth of glamour, talent, and beauty from A to Z. As the site of the most prominent international cinema contest in the world, Cannes is a magical milieu that has attracted paparazzi and film critics from the entire world. But often hidden from view are the sumptuous villas and yachts of millionaires that Cannes has been home to for more than a century.
