

## Seriously Mum - The Complete Trilogy

In 2008 Alan Parks and his partner Lorna Penfold made the brave decision to give up their lives in the UK and head to Andalucia in Spain and the beginning of a new adventure. The Seriously Mum books have tracked their progress over the last 7 years. Now, finally, all three books are available in one collection. Follow Alan and Lorna as they hunt for, and find a new home, collect a menagerie of animals, including their beautiful new alpacas. Cowboy builders, wild neighbours, new friends, old friends and medical emergencies will keep you entertained for hours.
