

POETiCA

Shane Windham's seventh poetry collection. Completed in 2011 and containing over one hundred brand new poems; POETiCA is something the author has described as being: ...an abrasively honest, sexy, violent and often transcendent look at the emotional perspectives of certain individuals I've cared for. It is also meant to be an inspired thank you of sorts to those precious few artists whom I admire. The book contains many appreciative nods of dedication to people such as Carl Sagan, Luis Royo, and even Aaron Yates (better known as American rapper Tech N9ne). POETiCA marks the long awaited return of Holly Ann Sprabary; one of Shane's more memorable pen names; as it sees him writing from a feminine point of view. Readers are certainly in for an experience unlike any other as they flip through this moving page-turner. Chapters found within this collection include: A HEAD IN THE CLOUDS FROM THE HEART OF A STAR HEAVYWEIGHT CHAMPION NO SUGAR, NO SPICE AS USHER FELL INSPIRED BY THE BLUE PRINCE LADY IN WAITING SOMBER 36 SEPHEMERAL EXTENSIONS REITERATION Cover art by C.D.
