

Pool & Spa Perspectives (Volume 2)

This indispensable three-volume series featuring perspective drawings from award-winning garden designer Scott Cohen is an absolute must-have for anyone looking for pool and spa design ideas. Whether you're a homeowner designing your own backyard or a professional seeking to boost sales you'll find help here. Each volume is packed with 90 breathtaking backyard drawings demonstrating today's best pool and hot tub ideas. This collection of Cohen's most popular pools is taken from Fetch-a-Sketch.com, a web site featuring backyard design ideas. If you're an outdoor designer or contractor, you know that a first-class visual presentation is your most valuable sales tool. This collection gives outdoor contractors the chance to capture the imagination of their clients using gorgeous perspectives created by one of today's top designers. If you're looking for backyard inspiration or want to learn how to build your own pool and spa, Pool Perspectives will become your ultimate design guide.
