

Old Ivory & Ohme Porcelain, A Comprehensive Identification Guide

Stroll through Victorian Europe to the German state Silesia and trace the escape route used by members of the Ohme family as they fled from Russian soldiers in World War II. Visit the tomb of Hermann and his wife Anna in Dresden which had been thought to be lost forever. Discover the endless variety of the beautiful porcelain pieces and the secrets to correctly identifying your Ohme collection. This book is an in-depth look at identifying and classifying Old Ivory China and Clear Glaze Porcelains. See clear and accurate photos of newly discovered marks, blanks and patterns to satisfy your desire to identify every piece of your cherished collection. For Ohme collectors everywhere.
