

Ukraine 2, a journal by JoDee Houle

This is a journal of my second mission trip to Ukraine. I served orphans in an orphanage, orphans from the streets of Kiev. This is a day to day account of my experience. You'll find however that my journaling style is unique in the way I bring you right into the orphanage, tasting the foods, experiencing extreme conditions; physical, emotional and spiritual. There is danger, there is conquering fear and there is victory.
