

Pregnancy, Childbirth, and the Newborn: The Complete Guide (medically updated)

If you buy only one childbirth book, this is the one...It is the comprehensive, authoritative book which gives you a wealth of information about pregnancy, birth, the postpartum period and how to care for your newborn baby. The Most Complete: covers all aspects of childbearing from conception through early infancy. It tells what to expect during pregnancy and birth and how to work with your carers to make it a happy and healthy experience. The Most Authoritative, Yet Easy-to Use: a well organised book for easy reading and quick reference. More than 60 charts and 190 photographs clarify the information. The Most Up to Date: fully revised to present the latest, most effective self-help comfort measures and emotional support measures for use during labour.
