

## Worlds Finest Vol. 1: The Lost Daughters of Earth 2 (The New 52) (Worlds Finest)

Legendary creators Paul Levitz and artists George Perez and Kevin Maguire launch a new series featuring Power Girl and Huntress, the WORLDS FINEST! Stranded on our earth over five years ago, these two heroes from Earth 2 are forced to fight evil in strange new surroundings, all while trying to find their way home. In two separate tales, WORLDS FINEST flashes back to how Huntress and Power Girl got to our earth and what they've been doing the past five years, and then back to the present where they fight for the fate of millions against the Irradiated Man. WORLDS FINEST, a part of DC Comics--The New 52 Second Wave, collects issues 1-7.
