

Alfreds Teach Yourself Garage Band (Book & DVD)

This book and DVD combo will show you everything you need to know to get started with GarageBand today! Whether you're a beginner with no training, or you have some knowledge of GarageBand and are in need of a refresher course, Alfreds Teach Yourself GarageBand is the perfect resource. You'll learn how to optimize your Mac, work with MIDI, choose an audio/MIDI interface, select microphones, use loops, edit audio, and create a great sounding final mix. When you're finished with this course, you'll be able to record, edit, mix, and send your songs out for the world to hear via the web or on CD. The provided DVD contains over 100 minutes of video and clearly demonstrates the essential features of GarageBand with an easy-to-understand approach. Best in Show Award at Winter NAMM 2012 presented by Music Inc. magazine.
