

Punisher: Enter the War Zone

Welcome to the war zone. The Punisher takes on the Avengers...but its going to take more than bullets to take down Earths Mightiest Heroes. Its the matchup you never thought youd see - the Punisher vs. Thor - when Frank Castle tries to break his protege Rachel Cole out of jail. Does the Punisher have one last trick up his sleeve, or do the Avengers stomp him? A lot? Its time for the Punisher to take his punishment, as writer Greg Ruckas powerful run comes to an end.
