

## Punisher War Journal (2006-2009) #5

The Bushwacker has taken a hostage in the heart of Times Square. With every TV camera in the world rolling, its New York City's biggest nightmare, and its going down live. As G.W. Bridge watches the worst day of his life uncoil in real time, a lone beat cop is the only thing that's keeping Bushwacker in check, and when Bushwacker demands to see Frank Castle... well, that's when things get really interesting. The ending of this issue will punch you in the face and laugh at your tears.
