

Punisher: War Zone - The Resurrection of Ma Gnucci

The latest offering from the red-hot Marvel Knights line reunites the seminal creative team of Garth Ennis and Steve Dillon for a sequel to their legendary story arc, Welcome Back, Frank. It all starts when two mobsters take a trip to the zoo and piss off the wrong monkey. Limbs are lost (the kind you cant easily replace), vultures are fed (with said appendages), and then things get, like, really crazy. Like back-from-the-dead crazy! Thats right - shes back and she wants payback! Ma Gnucci! Eighty-five pounds of hairless, armless, legless evil! Collects Punisher: War Zone #1-6.
