

Puppets in Praise: A Practical Resource for Childrens Ministry

PUPPETS TRANSFORMSCHOOL

SERVICESPuppets in Praise is an exciting how-to book on the art of puppet ministry for anyone tackling the difficult task of making Jesus and His teachings a reality to children. Puppets are familiar figures of fun. Even in the midst of our hi-tech world, such characters as Edd the Duck, the Muppets, Gerry Andersons marionettes and the Creature Comfort animals continue to amuse and entertain us. Stuart Holt believes that puppets also have a strong part to play in spreading the Gospel, particularly to children. Packed with original ideas for songs and sketches alongside instruction on the basics of puppet-making, Puppets in Praise also raises such vital issues as the portrayal of Jesus in puppet form, and the power of puppets to influence for good and bad.
