

Raising Righteous and Rowdy Girls

It has been said that daughters are Gods revenge on fathers for the kind of men they were when they were young. Some would say that both Doug Giles and I, given our infamous pasts, are charter members of that club. However, Doug and I know that his two wonderful daughters and my equally wonderful daughter and two granddaughters are truly Gods fantastic gift. With the wisdom of hindsight and experience Doug has written the ultimate manual for dads on raising righteous and rowdy daughters who will go out into the world well prepared- morally, physically, intellectually and with joyful hearts- to be indomitable and mighty lionesses in our cultural jungle. Through every raucous and no-holds-barred page, Doug, the incomparable Dad Drill Sergeant, puts mere men through the paces to join the ranks of the few, the proud, and the successful fathers of super daughters. The proof of Doug Giles gold-plated credentials are Hannah and Regis Giles- two of the most fantastic, great hearted and accomplished young ladies I have ever known. This is THE BOOK that I will be giving the father of my two precious five and three year old granddaughters. Tiger Mom meet Lion Dad! Pat Caddell Fox News Contributor
