Nowadays artist still use charcoal because of simplicity, various texture and effects it can create, painting with charcoal can make different Gray values, by that you can use it to draw any portraits you wish to work at, you may ask Why just use pencil?, well if you ask me Charcoal is more unique than pencil, it has darker tone even with different ranges compare to pencil and a finish work of charcoal is more life- like compared to pencil, so there is more dimension and depth to it. Another one that I consider why I like this medium is when I apply highlights to my drawing; it makes my drawing looks real as if my subject is in front of me. And if youre fun of watching old reruns- movies, TV shows and even cartoons. Im sure youre going to love it too. What will you get from this book? Well After you read and do the exercises in this eBook you will be drawing any Portraits you want. Believe

me; this eBook covers all about Charcoals and techniques that will make it for you to draw Portraits easily using this medium. Exercise A. will teach you, how to render parts in the Face, and the rest of the Exercises will teach you the right approach of how you will draw your portraits: close-up shot, medium shot, doing a double subject portraits and half body portrait-including texture and a full background. So give your time by doing the exercises and in no time you will be a Portrait artist. So your best and have fun with Charcoal.
