

Athens Laminated Pocket Map by Pocket-Pilot

This deceptively small map of Athens puts most guidebooks to shame. Pocket Pilots city map/guides are shirt-pocket sized, easy-to-fold, laminated, easy to read, and packed to bursting with useful information, including how to use/navigate the public transit system, a brief and pithy guide to the city's most popular points of interest, a neighborhood-by-neighborhood description of the city, listings of parks, cultural events, and hot spots, notes on local cuisine, and useful phrases - and, above all, a street map featuring magnifications of prime areas.
