

Refresh, Refresh

Fathers, sons, and the war that comes between them. There's nothing Josh, Cody, and Gordon want more than their fathers home safely from the war in Iraq -- unless it's to get out of their dead-end town. Refresh, Refresh is the story of three teenagers on the cusp of high school graduation and their struggle to make hard decisions with no role models to follow; to discover the possibilities for the future when all the doors are slamming in their faces; and to believe their fathers will come home alive so they can be boys again.
