

## Teesside and Old Cleveland Through Time

Teesside and Old Cleveland Through Time is a unique insight into the illustrious history of this part of Yorkshire. Reproduced in full colour, this is an exciting examination of the well-known streets and famous faces, and what they meant to the people of this area throughout the 19th and into the 20th Century. Looking beyond the exquisite exterior of these well-kept photos, readers can see the historical context in which they are set, and through the authors factual captions for every picture, and carefully-selected choice of images, the reader can achieve a reliable view of the local history. There is something for everyone here, whether they have lived here all their lives, or whether they are just visiting the area for the first time. Teesside and Old Cleveland Through Time also shows how photography has continually evolved to keep up with an ever changing society.
