

Rogue Warrior (Executioner 287)

Bolan must take down and old friend ... Blood Brothers Mack Bolan and Galen Starke fought side by side as Special Forces soldiers against a common enemy in the jungles of Southeast Asia. But now Starke has evolved into a demented prophet of doom -- a madman with an army of mercenaries, weapons of mass destruction and a vision of hell on earth. The Executioners mission: assassinate a warrior to whom he owes his life. To avert a disaster in the making, Bolans covert assignment takes him to the unforgiving jungle of Uganda where the once highly decorated Green Beret awaits Bolans ultimate challenge. In an area that once became the proving ground for these two warriors, brothers in arms will reunite for a battle to the finish.
