

## Ruthlessly Bedded, Forcibly Wedded (Harlequin comics)

Cara lost her brother and his girlfriend, Allegra, in an accident. Even though her brother abused her and took the money she earned after her parents' deaths, she was devastated to lose her only family member. The night before she leaves for her hometown of Dublin, in hopes to start a new life, a man approaches her at the bar where she works. He is gorgeous with dark hair and olive skin. She has never had a boyfriend before, but she decides to have a passionate one-night stand on her last night in London. The next morning, Vincenzo tells her in a cold voice, "I'm Allegra's brother. I slept with you for revenge."
