If you're looking for an alternative and interesting way to make some additional money, I wholeheartedly recommend you purchase this e-book. Michael Klatorin author of the International Bestseller, *Back to the Future: The Ultimate Visual History*

This is Mitch Freeland, author of *How to Succeed as a Book Scout*. I wanted to take this opportunity to let you know a little of what you will get in this book. This book is for new book scouts and it is an introduction to locating (scouting) valuable books. What is a Book Scout? A book scout is someone who finds books of value and then sells them to online book dealers and in bricks and mortar stores. Scouts do this with a mobile phone connected to the internet when they get pricing information from a dealer or online bookseller or online book buyer. The scout enters the ISBN number of the book into the bookseller's Internet-based system. A price will pop up showing the scout how much the bookseller is willing to pay for the book or a statement will show that the book is not currently being purchased. At check-out a Free postage label is printed and the scout ships the book to the dealer. Most scouts will ship numerous books in a box. A Paypal payment is almost immediate when the dealer receives the books. Check payment is also available. Sourcing or procurement of books is one of the most important aspects to making money in the book business whether you plan on pursuing it part-time or full-time. Here you will find some of the sources I use when scouting for valuable books. You will also learn the following: 1. All the great reasons to be a scout 2. The seven-step method for goal setting and achievement in book

scouting 3. How to develop a clear mindset and set plans 4. Where to get books, DVDs, CDs and even VHS tapes that sell and make you money 5. What books NOT to collect 6. The best types of books to collect that will consistently make you money. 7. How much to pay for any item: books, DVDs, CDs and VHS tapes 8. How many books you should expect to acquire from a library book sale that are worth selling 9. Answers to the most frequently asked questions of new scouts 10. Being a success for the long-term This is a short book; it is a monograph to get you started as a book scout. If you are serious about making money and having some fun, selling books and other media products could be the perfect fit for you.
