

Roxy Music and Art-Rock Glamour: Faber Forty-Fives: 1969-1972

Roxy Music and Art-Rock Glamour is a detailed exploration of the origins of the glam scene in the early seventies. Fronted by the deeply charismatic Bryan Ferry - equal parts fifties crooner and stylish spaceman - and with the visionary Brian Eno on keyboards, Roxy Music melded high-art intentions with commercial savvy to redefine what we understand pop culture to mean, and in the course of so doing created some of the twentieth century's most adventurous music.
