

Shaftesbury Avenue

In the tenth instalment in The Performers family saga everyone except Theo Caspar seems to be celebrating the end of the First World War. Too sickened by his experiences in the trenches, Theo cannot join the familys merrymaking. Letty Lackland, now a respected film producer, seizes on the aimless but beautiful Theo as a highly promotable new star. When Letty shows Theo off at a large gathering, she brings together many generations of the Lackland, Caspar, Collingbourne and Oram families, and unwittingly provides another chance for some regrouping within the great cousinhood.
