

Bakelite in the Kitchen (Schiffer Book for Collectors)

Popular in the 1930s and 1940s, Bakelite has again become a material of choice for many collectors, and this is the informative guide that Bakelite enthusiasts have been waiting for! Barbara E Mauzy provides a definitive look at Bakelite with almost 600 full-colour photographs of thousands of pieces, including their descriptions and values. Over 40 categories of kitchenware are presented in this appealing volume that covers gadgets, flatware, napkin rings, childrens utensils, and even some non-kitchen examples too colourful and fun to miss. This is the one, indispensable source of information on dating, manufacturers, and designs that is an absolute must for the dealer, the collector, even the non-collector. This bigger, better second edition includes a fascinating new chapter on Bakelite restoration that will make your pieces look brand new!
