

Shadow Rock

After his mother's death, young Timothy London moves from the big city to the small New England fishing town of Shadow Rock to live with his father. His new home is up the hill from a legendary haunted lighthouse where Timothy discovers the ghost of Kendahl Fog, a little boy who died under mysterious circumstances. Timothy and his new ghostly companion set out to explore the dark underbelly of Shadow Rock and the mystery of Kendahl's death. Harrowing thrills and chills ensue in this classic boys adventure with a horror twist.
