

Sinister Dexter #1

The popular sci-fi strip makes its way to our shores! Finn and Ramone in two classic 2000 AD stories! First is Money Shots, which sees the two gunsharks crashing the set of an adult movie in order to carry out a hit on a target that may be happier to see them than they expected! Second is Point Blanc. The duo is recruited to take out a narc boss who owns extreme firepower. Is their mystery employer out for more than control of Downlodes heavy-duty killware?
