

Soulfire: New World Order Vol. 1

Exploding from the pages of Soulfire comes the New World Order. The power of magic has returned, and people across the globe are discovering their strange and sometimes disturbing relationship to the Light. As old allies arrive to join in the search for the missing light bearer, another ominous force is gaining power. One that is intent on making his mark on the world...even if it leads to the destruction of mankind! Dark and violent, Soulfire: New World Order is a story about the future of humans surviving in a world of magic, steering towards their own salvation...or doom. This gripping new mini-series serves as the direct lead to the premiere of Soulfire: Volume Two! Collected here is the primer zero issue as well as the ultra-rare Beginnings issue and all five series issues..
