

South Carolina Postcards, Vol. VIII: Camden (SC) (Postcard History Series)

The small, historic town of Camden is one of South Carolina's most beloved communities. The state's oldest inland settlement, Camden is well known for its participation in both Revolutionary and Civil War battles, as well as equestrian events, business enterprises, and social life. Included in these pages are views of the city's commercial district, the Mather Academy, famed resorts, and cotton mills. Cultural aspects, including images from the initial running of the Carolina Cup, round out the collection and prove to be a rare and priceless find. A tribute to the prevailing prosperity of Camden and her residents, this volume will be enjoyed by newcomers, locals, and anyone with a penchant for nostalgia.
