

Spawn #107

When two warring mobs meet in a warehouse for a showdown, no one present expects the intervention of a third party: Spawn. Neither faction will win this night. In another part of town, in a dank and dirty bar, sits Wolfram, who is being paid a visit by Simon Pure. Little does Wolfram know that this tonight will be the last of his life. Elsewhere, in an arcade, a young man has just met an intriguing young woman. They are two seemingly lost souls who appear to have found a common bond; however, the young man's mother is worried about him, and calls his father for help. His father happens to be Twitch Williams.
