

Spawn: The Dark Ages #3

In mourning for his wife, Baron Rivalen places his barony in the cruel hands of DuBlanc and the peasants are forced to endure worse atrocities than ever more. Meanwhile, the Hellspawn escapes captivity and torture of the three witch sisters by teleporting himself. As he regains consciousness, he becomes aware of who he was and what his new mission is. He must rally the peasants into a revolt against DuBlanc to secure their freedom from his cruel control. Cog urges him to abandon that mission and begin training with him instead.
