

Spider-Man 2099 (2015-) #11

SINISTER SIX 2099! Stranded in a 2099 he doesn't recognize, Miguel wakes to find himself held captive by a group of villains calling themselves the SINISTER SIX! But how is it that this timeline is so different than the one Miguel left behind? Can Spidey escape the clutches of his captors and find a way back to the past so he can fix the future?
